### Index Methodology

Eligibility Criteria for Selection of Constituent Stocks:

- i. Companies should form part of Nifty 500 at the time of review. In case, the number of eligible stocks representing a particular sector within Nifty 500 falls below 10, then deficit number of stocks shall be selected from the universe of stocks ranked within top 800 based on both average daily turnover and average daily full market capitalisation based on previous six months period data used for index rebalancing of Nifty 500.
- ii. Banks having 50% or more of their outstanding share capital held by central or state government directly, or by central or state government controlled banks will be excluded from stock selection.
- iii. The bank's trading frequency should be at least 90% in the last six months.
- iv. The Company/bank should have a minimum listing history of 1 month as on the cutoff date.
- v. Final selection of 10 companies shall be done based on free float market capitalisation. A preference shall be given to companies that are available for trading in NSE's Futures & Options segment at the time of final selection.
- vi. Weightage of each stock in the index is calculated based on its free-float market capitalization such that no single stock shall be more than 33% and weightage of top 3 stocks cumulatively shall not be more than 62% at the time of rebalancing.

Index Re-Balancing:

Index is re-balanced on semi-annual basis. The cut-off date is January 31 and July 31 of each year, i.e. for semi-annual review of indices, average data for six months ending the cut-off data is considered.

Exclusion from the index is done due to suspension or delisting or in case of corporate event such as scheme of arrangement / demerger / acquisition.

Index Governance:

A professional team manages all NSE indices. There is a three-tier governance structure comprising the Board of Directors of NSE Indices Limited, the Index Advisory Committee (Equity) and the Index Maintenance Sub Committee.
