NSE Indices launches Nifty India Infrastructure & Logistics Index

NSE's index services subsidiary, NSE Indices Limited today launched a new thematic index – Nifty India Infrastructure & Logistics.

The Nifty India Infrastructure & Logistics Index aims to track the performance of stocks from the Nifty 500 that represent the infrastructure and logistics theme. The top 100 stocks based on 6 month average free-float market capitalization are selected to be a part of the index.

The weight of each stock in the index is based on free float market capitalization. The aggregate weight of stocks belonging to an industry is capped at 20% and the weight of each stock in the index is capped at 5%.

The base date for the index is April 01, 2005, and the base value is 1000. The index will be reconstituted semi-annually and rebalanced on a quarterly basis.

The new index is expected to act as a benchmark for asset managers and be a reference index tracked by passive funds in the form of Exchange Traded Funds (ETFs), index funds and structured products.
