

## PRESS RELEASE

Mumbai, August 23, 2021

### Revision in criteria and replacements in Indices

The Index Maintenance Sub-Committee (Equity) of NSE Indices Limited has decided to make the changes in eligibility criteria of Nifty indices and replacement of stocks in various indices as part of its periodic review as listed hereunder. These changes shall become effective from September 30, 2021 (close of September 29, 2021).

#### A. Revision in the eligibility criteria for inclusion of stocks in NIFTY indices:

Existing	Revised
All equity shares that are traded (listed & traded and not listed but permitted to trade) at the National Stock Exchange (NSE) are eligible for inclusion in the NIFTY indices.	All equity shares, REITs and InvITs that are traded (listed & traded and not listed but permitted to trade) at the National Stock Exchange (NSE) are eligible for inclusion in the NIFTY indices.

#### B. Revision in criteria of NIFTY Pharma index:

Parameter	Existing Method	Proposed Method
No. of stocks	10	20
Stock Selection criteria	Select the top 10 stocks based on six-month average free-float market capitalization within the sector	1) Top 20 stocks based on six-month average free-float market capitalization that are available for trading in NSE's Futures & Options (F&O)  2) In case the number of stocks selected in the Step 1 above is less than 20, then the deficit number of stocks are selected based on six-month average free-float market capitalization

Parameter	Existing Method	Proposed Method
Reconstitution	A non-member eligible stock will be included in the index only if its six-month average free-float market capitalization is 1.5 times the six-month average free-float market capitalization of the smallest index constituent	<p>1) Stocks that are available for trading in F&amp;O segment are compulsorily included in the index and will replace the smallest index constituents which are not available for trading in F&amp;O segment subject to maximum of 20 stocks in the index</p> <p>2) In case all the stocks within the index are available for F&amp;O trading and there is a non-member eligible F&amp;O stock, such stock will be included in the index only if its six-month average free-float market capitalization is at least 1.5 times the six-month average free-float market capitalization of the smallest index constituent</p> <p>3) Non-member eligible stocks which are not available for trading in F&amp;O segment will be included if its six-month average free-float market capitalization is at least 1.5 times the six-month average free-float market capitalization of the smallest index constituent which is not available for trading in F&amp;O segment</p>
